13. kongres Hrvatske udruge kardioloških medicinskih sestara

13th Congress of the Croatian Association of Cardiology Nurses

Poštovani kolegice i kolege, cijenjeni sudionici i dragi gosti,

čast nam je i zadovoljstvo poželjeti vam dobrodošlicu na 13. kongres Hrvatske udruge kardioloških medicinskih sestara i 16. kongres Hrvatskog kardiološkog društva.

U sklopu stručnih programa na našim nacionalnim kongresima istaknuti stručnjaci iz domaće i svjetske kardiološke prakse predstavit će nam suvremena znanstvena i stručna dostignuća te promišljanja o izazovima i mogućnostima koje oblikuju budućnost kardiovaskularne medicine i zdravstvene skrbi. U vremenu ubrzanog razvoja novih tehnologija i umjetne inteligencije, važno je osigurati da napredak znanosti uvijek prate kvaliteta, sigurnost i humanost skrbi za svakog pacijenta.

Geslo ovogodišnjega, 13. kongresa Hrvatske udruge kardioloških medicinskih sestara, „Misija, vizija, vrednote", podsjeća nas na temeljne vrijednosti našega profesionalnog djelovanja i odgovornost koju imamo prema pacijentima, njihovim obiteljima i društvu. Naša je misija pružati kvalitetnu, sigurnu i suosjećajnu skrb; naša je vizija kontinuirano unaprjeđivati znanje, kompetencije i praksu, a naše su vrednote stručnost, odgovornost, empatija, međusobno poštovanje i predanost pacijentu. Upravo nas temeljne vrijednosti povezuju i usmjeruju prema zajedničkom cilju – izvrsnosti u kardiovaskularnoj skrbi.

Zajedničkim održavanjem naših kongresa potvrđujemo važnost međuprofesionalne suradnje, cjeloživotnog učenja i povezivanja znanstvenih spoznaja s kliničkom praksom. Vjerujemo da će predavanja, radionice, prikazi slučajeva bolesnika i konstruktivna rasprava potaknuti nove ideje i otvoriti prostor za razmjenu znanja i iskustava te pridonijeti daljnjem unaprjeđenju kvalitete skrbi u kardiološkoj praksi.

Vođeni zajedničkom misijom i nadahnuti jasnom vizijom, utemeljenima na zajedničkim vrednotama, gradimo budućnost kardiovaskularne skrbi u kojoj su znanstvena izvrsnost, međuprofesionalna suradnja i dobrobit pacijenta u samome središtu našega djelovanja.

Zahvaljujemo svim predavačima, autorima, članovima organizacijskih i znanstvenih odbora, uz osobitu zahvalu tajnicama kongresa, partnerima, sponzorima i svima koji su svojim trudom i podrškom omogućili održavanje naših kongresa. Zahvaljujemo također svim sudionicima koji svojim znanjem, iskustvom i entuzijazmom svakodnevno pridonose razvoju kardiologije i sestrinstva.

Posebno zahvaljujemo akademiku Davoru Miličiću, predsjedniku Hrvatskoga kardiološkog društva, na svekolikoj pomoći u radu Hrvatske udruge kardioloških medicinskih sestara, te profesoru Mariju Ivanuši na pomoći u pripremi i objavi sažetaka u suplementu časopisa „Cardiologia Croatica".

Želimo vam uspješan i sadržajan kongres, poticajne stručne rasprave, nova poznanstva i suradnje te mnogo inspiracije za daljnji profesionalni rad.

Dobrodošli i želimo vam ugodan boravak u Zagrebu!

Dear Colleagues, Distinguished Participants and Guests,

It is our great honour and pleasure to welcome you to the 13th Congress of the Croatian Association of Cardiology Nurses and the 16th Congress of the Croatian Cardiac Society.

As part of the scientific and professional programmes of our joint congresses, distinguished experts from Croatia and the international cardiology community will present the latest scientific and professional advances, sharing their insights on the challenges and opportunities shaping the future of cardiovascular medicine and healthcare. At a time of rapid technological development and the expanding use of artificial intelligence, it is essential to ensure that scientific progress goes hand in hand with high-quality, safe, and compassionate care for every patient.

The motto of this year's 13th Congress of the Croatian Association of Cardiology Nurses, "Mission, Vision, Values," reminds us of the fundamental principles that guide our professional practice and the responsibility we bear towards our patients, their families, and society. Our mission is to provide high-quality, safe, and compassionate care; our vision is to continuously advance our knowledge, competencies, and professional practice; and our values are professionalism, responsibility, empathy, mutual respect, and an unwavering commitment to our patients. These principles unite us and guide us towards our common goal – excellence in cardiovascular care.

By holding our congresses jointly, we reaffirm the importance of interprofessional collaboration, lifelong learning, and the translation of scientific evidence into clinical practice. We are confident that the lectures, workshops, case presentations, and constructive discussions will inspire new ideas and foster the exchange of knowledge and experience, ultimately contributing to further improvements in the quality of cardiovascular care.

Guided by a shared mission and inspired by a clear vision, we remain firmly grounded in our values as we shape the future of cardiovascular care, placing scientific excellence, interprofessional collaboration, and patient well-being at the heart of everything we do.

We would like to express our sincere gratitude to all speakers, authors, members of the Organising and Scientific Committees, with special thanks to the congress secretaries, partners, sponsors, and everyone whose dedication and support have made these congresses possible. We also thank all our participants who, through their knowledge, experience and enthusiasm, contribute every day to the advancement of cardiology and cardiovascular nursing.

We would also like to extend special thanks to Academician Davor Miličić, President of the Croatian Cardiac Society, for his invaluable support for the Croatian Association of Cardiology Nurses, and to Professor Mario Ivanuša for his assistance in preparing and publishing the congress abstracts in the supplement to the Cardiologia Croatica journal.

We hope you will participate in a successful and rewarding congress, engage in stimulating professional discussions, establish new connections and collaborations, and obtain renewed inspiration for your continued professional development.

We wish you welcome and a pleasant stay in Zagreb!
